

# STATUES & SCULPTURES

We M/s SUBHAM POLES PROJECTS PVT LTD are engaged in manufacturing of steel tubular poles, octagonal and highmast poles, decorative poles, towers and structural fabrication. Along with railway components manufacturing. We have added a new product line of statues and sculptures in our portfolio. Statues and sculptures can be made of FRP, different metals like Copper, steel, etc. These statues have applications in different places such as GARDEN, PARKS, GOVERNMENT COMPLEXES, HOTELS, AND LUXURY RESIDENTS, RIVER BANKS, ROADSIDE BEAUTIFICATION and various other areas. Our engineering team and advanced working environment are always engaged in our manufacturing units in Kolkata to enhance skill, quality of product and delivery within committed time frame. Some of our clientele are INDIAN RAILWAYS, SIEMENS, ABB, NTPC, RVNL, L&T and other reputed engineering and infrastructure companies.
